## "The Snow Advisory" ... A Message from Grand Knight Tony Snow

Eight months ago, I asked the officer group, "What do we want to do as a proud, active and vibrant council?" After our discussions, a common theme seemed to be part of everyone's ideas; that we engage in events that as a community we could all enjoy. If we make a profit from our events, we can do more as a council, however; profitability, while important, was not the purpose for the events. Our image, in the greater parish community, needs to reflect a group that has its priorities in our founding principles of Charity, Unity and Fraternity.

Look back at some of the good works we have done. Parish work groups that invested Knight's energy and passion in painting the hall, landscaping, repairing kneelers, and the large playground project, have shown a strong investment in our value proposition we need with our parish community. We have also invested energy and passion beyond our parish grounds by being active in projects like Lamong Inspirations of Hamilton County, the Salvation Army drive, and our visible support of Gibault school. There are many other events or ventures we have supported.

If you are reading this and do not recognize our progress, you need to get involved. Our next major venture is the Fish Fry parish dinners. Knights, wives and families can involve themselves in volunteer efforts for this event. Even just one of the six fish fry's could be your contribution. Please contact any Knight Officer for information on this event. If you cannot volunteer, please come and enjoy your own home cooking! I guess I have said that before... This is a major fund raiser for our charitable works and for the community. Get your friends, family and coworkers to come and join us in fellowship of community. Many non-Catholics would enjoy a Friday knight without cooking or cleaning up.

Many activities to come... much more we can do... It is up to all of us to drive the success of this council. Will you join us? Keep the passion and energy alive by being an active part of our progress. Your suggestions or critical remarks can be brought to my attention at grand-knight@insightbb.com.

Vivat Jesus!  
Grand Knight Tony Snow
